RE: M&RP Side-by-Side modification, Canyon Fuel Company, LLC, Skyline Mine,  
C/007/005,

Dear Mr Haddock:

Please find enclosed with this letter both redline-strikeout and clean copies of information that was identified during the M&RP side-by-side as needing to be submitted. The information includes a 'master' Table of Contents for the entire Skyline M&RP. This is to replace both the Table of Contents in Volume 1 and Table of Contents for all the various volumes of the M&RP. The Table of Contents that is submitted will remain in its own dedicated binder. This 'stand-alone' was discussed during the Side-by-side exercise conducted in December 2007.

The submittal includes completed C1 and C2 forms, four (4) redline-strikeout and four (4) clean copies of the Table of Contents modifications, and two (2) compact discs containing all of the information listed above.

If you have any questions, please call me at (435) 448-2636.

Sincerely,

Gregg A. Galecki  
Environmental Engineer, Skyline Mine
